Today, 97% of the world's unreached people live in the 10/40 Window, a rectangular shaped area on our globe extending from West Africa to East Asia, from 10° N to 40° N of the equator. This window encompasses the majority of the world's Muslims, Hindus, and Buddhists. The darkest of all areas within the 10/40 Window is Asia, where more than 80,000 people die every day without knowing about the love of Jesus. India, home to 1.2 billion people, has over 600,000 villages where the Gospel of Jesus Christ has never been heard. With so many opportunities for ministry here, the Lord has raised thousands of missionaries from within India itself. Now is the time for the people of India to be delivered from the bondages of sin and darkness and come to the saving knowledge of Jesus Christ. *"He that hath pity upon the poor lendeth unto the Lord, and that which he hath given will He pay him again."* (Pro.19:17)

WHO ARE THE NATIONAL MISSIONARIES?

The Indian national missionaries are born and raised in India. Unlike missionaries from other countries, no additional training is needed for them to learn the culture, languages, or mind-set of the local people. They are already accustomed to the local weather, food and living conditions. Because of their faithfulness and willingness to sacrifice, these national missionaries have been able to share the love of Jesus Christ with literally millions of men, women and children who had never before heard His name. In India today, believers joyfully worship the Lord in places where no church existed before, but these churches have not come easily. Our national missionaries are paying a high price of suffering, hardship and intense persecution as they bring the love of Christ to these people. Persecution is a part of life for many missionaries, encountering beatings, death threats and imprisonment on a daily basis. Despite great hostility exhibited toward them, they continue to press onward as they proclaim the Good News of Christ to the unsaved souls of India. They are not willing for any man to perish without hearing the name of Jesus; even if that means they themselves may perish.

Missionaries Pray Before Training Session

Church service held in basic structures (dirt floors and coconut leaf walls)

Many missionaries use their own homes for worship. Their prayer is for a suitable place to meet for worship.
