**U.S.A.:** Our function is to provide prayer support and financial resources for MVN to carry out its work of bringing the gospel to India. The administrative/operational costs associated with this ministry are covered by a donor allowing 100% of your funds to go directly to the mission field in India.

**INDIA:** MVN, a ministry based on prayer and faith, continues to be administered by Pastor Vee who is calling for hundreds more prayer warriors in 2016. Currently there are about 500 people in India who pray specifically for this ministry, praying that multitudes will come into the Kingdom of God through the efforts of MVN.

## PRAYERS ARE NEEDED

A group will be joining our brothers and sisters in India within the next couple of months. It is always an encouragement to our MVN missionaries to receive guests from the U.S. The visiting team members always return to the U.S. feeling they have been blessed to be amongst these missionaries whose faith is evidenced by their joy in serving the Lord, in spite of the hardships and persecution they endure. Please pray that God will prepare these team members in every way for this trip:

- with physical stamina to endure the rigors of the long flight and resistance to any health issues to which they may be exposed.
- with spiritual strength - that they would be clothed in the full armor of God as they enter this dark area of the world that has been under the influence of evil for thousands of years.
- with a deeper, stronger faith and closer relationship with our Lord Jesus Christ.

Many of our missionaries and their families were devastated by the recent flooding in November and December, losing everything they owned, including their homes. MVN is attempting to help with food and shelter, but the needs are great and our resources are limited. If you can find it in your heart to send an extra donation this month to help in this effort, it would be so appreciated. (Just write "flood relief" on your check.)

Brother Vee has recovered from surgery last month to remove a cyst from his back. Praise God for answering the many prayers lifted up for him.

## MEET MVN MISSIONARY PAUL CHINNANAN

*Chinnanan (13MVN0219TN) and family at his home*

Born and raised in a poor, radical Hindu family, Chinnanan lived a sinful life of stealing, drugs and even kidnapping young girls. His parents forced him to marry one of these girls, although she was in bondage to Satan. When she gave birth to a son, a witchdoctor advised them to kill the son as a sacrifice to rid their family from evil. His parents, unable to withstand the demonic disturbances, killed and buried his son. Things became worse then and their lives were full of pain, suffering, agony, torture and tears.

Filled with despair, Chinnanan decided to take his own life and while on his way to do this, he saw a Bible verse on a tree, "**Come to me all you who are weary and burdened and I will give you rest.**" A voice inside him kept saying, "go back," so he decided not to end his life. He stopped at a nearby church on the way home where the pastor prayed for him. He accepted Jesus Christ as his personal savior, and stayed in the back of this church for three months with no thought of his wife and parents. When he finally returned home, his family was so happy to see the drastic change in his life that they also accepted Jesus as their savior. God delivered his wife from the hands of the devil and they began to live a holy life.

God eventually called him to the ministry and he has endured imprisonment and many beatings because of his determination to preach the gospel of the Lord Jesus who changed his life. He and his family suffer much and need your prayers and support.
