

OUR STRENGTH IN JESUS

It is with great joy in my heart I write to you this month. I feel so comforted and strengthened in sharing the burdens of this ministry with you because you are standing shoulder to

shoulder with me in fulfilling the purposes of God. It is by your sacrificial and cheerful support and donations we are able to build the purposes of God. Further, such sharing also moves your heart to pray for these ministries. The Holy Spirit will use what I share with you to create in you a passion and fervor to pray for this ministry and to support it with your valuable contributions.

Let me quote you a word that comes in my spirit for you: ***"He gives power to the weak, and to those who have no might He increases strength."*** (Isaiah 40:29) Friends, according to God's unfailing promise, He will give you power and strengthen you, so don't worry about your 'weaknesses'. Don't spend your precious time chatting to everyone about your 'weaknesses'. Is your weakness 'Physical'? Is your weakness 'Spiritual'? Don't be worried about anything, because we do not have a God who cannot sympathize with our weaknesses (Hebrews 4:15), but one who intercedes for us. We also have the help of the Holy Spirit who intercedes on our behalf with mourning that can't be uttered in words (Romans 8:26,27). Our God can transform any weakness into strength. So do not keep talking about your 'weaknesses', rather talk about how the Lord Jesus Christ has given you victory over these weaknesses on the Cross. Speak only the solutions and answers that God has given; speak only Christ and His victory.

MEET SURYA

Surya is 15 years old and attends an MVN CHILD DEVELOPMENT CENTER after school. His father died when he was 6, leaving the family impoverished. His mother suffers from a nerve disorder which does not allow her to stand erect or to walk. She crawls to pick up the fallen fruit from the neem tree and sells the seed, earning 12-20 rupees in a day, allowing them to barely survive. She struggles to feed her two children, both of whom are malnourished and on the brink of starvation. Our missionary and kind-hearted neighbors help to feed

them. At school it is not unusual for Surya and his brother, Sudhakar, to have water for lunch, while their friends have good food to eat. Some days they don't have even one meal; they survive by drinking water.

Both boys experience some peace now as they have come to know Jesus and they get a meal once a day at the CENTER. They are often beaten and persecuted by family members because they will not go to the temple with them or participate in Hindu festivals.

Surya and his brother score high marks in school. However, their future education is questionable because they cannot even afford pencils or paper.

Thanks to the generosity of God's children in the U.S., MVN is currently operating 14 centers, serving more than 800 children. These centers minister to many children in similar situations as Surya's. MVN will expand services and open more centers as funds become available.

YOUR PRAYERS NEEDED

In addition to financial support, MISSION VOICE NETWORK needs your prayer support for the two U.S. teams traveling to India this month. Please pray:

* for safe, secure travel to and from India.

* for the Lord to supernaturally shield and protect their bodies from all physical ailments, infirmities and sicknesses of any kind.

* for favor in the eyes of India immigration to allow them entry into India.

* for God's Divine protection as they travel many miles on hazardous third world roads.

* for the fresh filling and powerful anointing of the Holy Spirit upon each team member to accomplish HIS purposes (to bring Him glory and increase His Kingdom on earth) for this trip.

* for the blood of Jesus Christ and the power of HIS mighty Word to protect them from the schemes and plans of the enemy.

* for multitudes to come into His Kingdom to worship, honor and praise Jehovah God, as the glorious gospel is preached to many who have never heard the name of JESUS.
