## CLOSER TO THAT DAY

This is the beginning of a brand new year. God has given me this year to use as I will. I can waste it or use it for good. What I do with this New Year is important, because I'm exchanging a year of my life for it. When next year comes, this year will be gone forever, leaving in its place something I have traded for it. I want it to be gain, not loss; good, not evil; success, not failure; in order that I will not regret the great price I paid for it. Carpe Diem! By God's grace I will seize the time and make the most of it for His Kingdom's sake.

I am one year closer to the day I will be with my Lord Jesus in glory. ***"What a Day, a glorious day, that will Be"***. As I review the past year and take inventory of how I spent my time, talent and resources, how much 'treasure' did I lay up in heaven?

We at MVN give thanks to God for His continued blessings upon His ministry. Thousands of lost souls have come into His Kingdom and He has used many of you to make that possible. Thank you and may our loving Heavenly Father continue to richly bless each of you, your families and your ministries through His Son, our Redeemer, Jesus Christ. God bless you all!

Tony

**These numbers do not tell the whole story as these accomplishments came at a great cost to God's precious saints in India who endure great hardships. It is through these precious saints and God's children here in the U.S., who pray and provide the finances, that make this ministry possible.**
