

MISSIONARY Immanuel
15MVN0523TN

Immanuel was raised in a Hindu family with 5 siblings. He and a sister caused much chaos in the family as they were bound by an evil spell which caused a series of illnesses. The family, desperate for answers, turned to

their Hindu gods for help, but to no avail.

One day a missionary came to their home to preach God's word and there he learned of the family's situation. He shared the gospel of Jesus Christ and both parents accepted Jesus as their savior. Gradually, the sicknesses left; Immanuel and his sister were completely healed.

When Immanuel first submitted his life to God's ministry, he was met with much resistance. People made fun of him and used abusive language towards him. Now, he sees many of those who despised him attending the church he established.

God is still working in his church and he now has 45 believers attending the services. He notes his one and only vision is to evangelize the forty nearby villages and establish churches in these villages.

"When Joseph and Mary had done everything required by the Law of the Lord, they returned to Galilee to their own town of Nazareth. And the child grew and became strong; he was filled with wisdom, and the grace of God was upon him." (Luke 2:39-40)

Numbers cannot tell the whole story. The accomplishments listed here came at a great cost to God's precious saints in India. They suffer great hardships and are under the threat of beatings and death constantly.

MVN currently has 543 indigenous pastors taking the gospel to nearly 3,000 rural villages. Our **MOBILE GOSPEL TEAM** visited 475 villages with over 60,000 views of evangelistic films. Thousands of professions of faith resulted!

MVN trained 990 adults to execute the VBS program in May. During their training, 85 made a commitment to full-time ministry. The VBS program was a huge success with 20,285 children attending. Many thousands heard about Jesus for the first time and many of those made professions of faith in Jesus. The cost of our VBS program was \$3,000. There are 14 Child Evangelism Programs operating, in as many villages, year-round with over 800 children learning about Jesus and biblical truths.

God is blessing His ministry in India through His faithful people in the U.S. Thank you for your prayerful and financial support that has made this ministry possible.
