MISSIONARY HIGHLIGHTS

Missionary JOSEPH D:

Palani Samy (42) suffered from skin disease for the past one year. The medical treatments did not heal his itching and pain. We came to know about his physical suffering and visited him. We shared to him from the word of God. The word of God gave him hope. We told him God will heal him and bless him. He too put his trust in Jesus and we applied prayer oil on his skin and prayed for his healing. God answered our prayers and healed him. He accepted Christ as his Savior. Praise God!

Murugesan (22) suffered from the attack of the evil spirit for the past three years. He suffered the torment of the evil spirits. They made various attempts to ward of the evil spirit. All their attempts failed. Murugesan continued to live with the pain and suffering. We came to know about his pitiful state and as a church we prayed for his deliverance. The demonic spirits manifested and finally left him. He is now completely healed and he accepted Christ as his Savior and Lord.

Missionary XAVIER P:

Selva Rasu (40) met with an accident and suffered head injury and lost his consciousness. All his family members were sad and worried. We came to know about this and went to the hospital and prayed for him. God answered our prayers and he regained his consciousness after 20 days. This is a mighty miracle and the family members came to know about the love and power of Jesus Christ in their life .

BY GOD'S GRACE

"This is the beginning of a new year, God has given me this year to use as I will. I can waste it or use it for good. What I do this year is important, because I'm exchanging a year of my life for it. When next year comes, this year will be gone forever, leaving in its place something that I have traded for it. I want it to be gain, not loss; good, not evil; success, not failure, in order that I shall not regret the great price I paid for it."

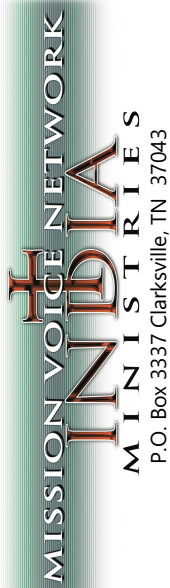

I give thanks to God for all of you and your kind and generous hearts to bless His precious saints in India with your prayers and financial gifts. He has used you to advance His Kingdom in the spiritually dark and physically dangerous nation of India. Look and see what the Lord has done. Even to the most casual observer it is obvious that God's hand of favor is on His ministry – Mission Voice Network, (MVN).

You folks remain in my prayers regularly. PRAYER is 'priority one' at MVN. There are 2,000+ prayer partners in India. This does not include 1,240 church planters & their wives. There are 11 prayer warriors in 3 locations that pray everyday from 9:00am – 6:00pm. All night prayer vigils are held several times each month in various locations; 60-70 gather in each of two locations for 3-days of fasting prayer each month. There are several hundred here in the U.S. that intercede in prayer on behalf of MVN.

Multitudes are coming to a saving knowledge of Jesus Christ. His name is being exalted and honored. Our brothers and sisters endure great hardships and persecution for the sake of the gospel. They are undeterred in their calling and are compelled by love to proclaim the name of JESUS before their persecutors! Let us remain faithful to lift up in prayers our brothers and sisters before our Lord God. Keep looking up!

May God's grace, mercy and peace be abundant in your lives. Tony
