## MISSIONARY HIGHLIGHTS

### Missionary PAUL STEPHEN:

Najammal (48) was suffering from severe stomach pain. The doctors found out there was a tumor in her uterus. They also suggested that she remove the tumor by surgery. She came to the church and told us her problem. We shared with her about Jesus and His miracle working power and assured her Jesus will heal her without an operation. She put her trust in Jesus and together we prayed earnestly to God to heal her. The next time when she visited the doctor they were amazed to find the tumor had disappeared! She is now happily worshiping the Lord and lives a testimonial life.

### Missionary DANIEL RAVI CHANDREN M:

Illayaraja (28) was addicted to alcohol. He had constant fights with his wife and this spoiled the peace of his family. He wasted his income for his drinking habits and then they suffered financially to meet their basic needs. His wife repeatedly told him to give up his addictions. He was not able to overcome his drinking habit alone. We met him and shared with him the gospel and prayed for his deliverance. God answered our prayers and he gave up his addictions totally. He accepted Christ as his Savior and his wife Kavya too, readily accepted Christ. They are both now coming to the church and worshiping the Lord.

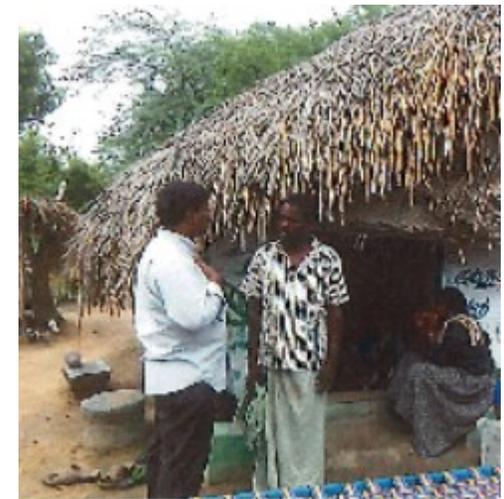

(continued)

### Missionary ABRAHAM M:

Ranganathan (21) was demon possessed and he suffered a lot as the evil spirits controlled him for the past three years. He was not able to concentrate on his studies nor was he able to go out and do his normal routines as the evil spirits troubled him often. We came to know about his condition and shared the love of Jesus and prayed for his deliverance. God answered our prayers and he got completely delivered. As we prayed all the demonic spirits left him. He accepted Christ as his Savior and is coming to the church. Praise God!

### Missionary LIVINGSTON:

The photo below is showing Missionary Livingston sharing the gospel with a person who has not known about Jesus. People come to know about Jesus through such gospel sharing and through regular follow ups and prayer. The word of God has brought transformation in the lives of many; as many decide to come to the church and accept Jesus Christ as their Savior.

Greetings in the sweet name of our Lord and Savior Jesus Christ! It is indeed a great privilege for me to meet you again through this newsletter.

Luke 1:38 *And Mary said, "Behold, I am the servant of the Lord; let it be to me according to your word." And the angel departed from her.*

The above mentioned verse very clearly indicates Mary surrendered her entire life to fulfil God's will through her life in to this world.

Mary had only one life on the face of the earth, just like you and me. God chose her life to bring Jesus to this world. Likewise, God wants us to bring Jesus to many lives.

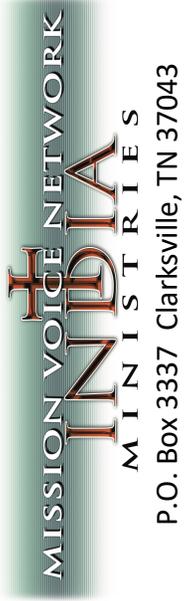

It was not an easy moment in Mary's life to submit fully for God's purpose at that time. Her marriage was confirmed with Joseph; who should have been her number one priority. She might have had a growing desire in her life to enter into the new marriage with her life partner Joseph. And yet it was not considered favorably by society and law that she conceived a baby before marriage. Thus the situation was not good when she made a commitment to bring Jesus to this world. Still, she thought that it was worth taking this risk for the sake of the living God. She took a firm decision to make God as her number one priority.

Even today, God's servants are risking their precious lives in the mission field for the sake of Jesus. We are also called to be partners of the Gospel. God wants us to surrender our lives to bring Jesus to the multitude who never heard His first coming yet - in countries like India. It is worth suffering for the sake of Jesus in this world. Our true happiness is waiting for us in heaven in its full measure. The spiritual joy that we enjoy on the face of this earth is only a shadow of the eternal happiness that we are going to have very soon. Let us say now, *"Behold, I am the servant of the Lord; let it be to me according to your word."*

Thank you again for your support for this gospel outreach.

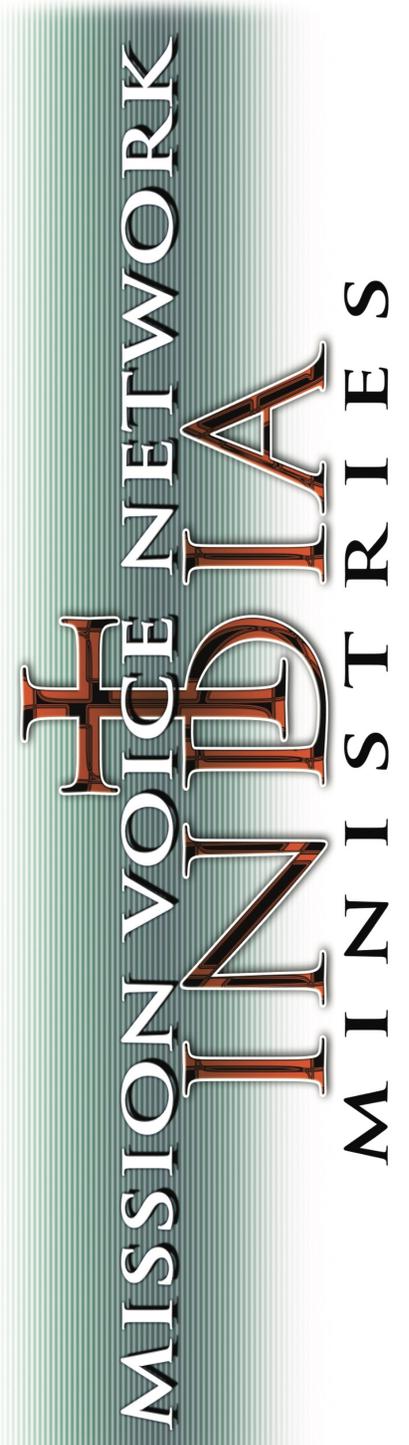

God Bless you. Your Brother in Christ, Vee
